I,                     , *Last Name, First Name*, address:.....

collaborator of the collected volume:

.....**Book Title**.....  
**edited by** .....  
**ISBN:** .....  
**to appear in 20\_\_**

for a contribution entitled

*Title of the Chapter*.....

grants to the University of the Antilles all rights of reproduction and representation relating to my contribution, which may be exploited by the publisher or by an authorized third party or assignee during the term of the literary property, in all languages and all countries, in isolation or in a collective document, in the form of a paper work, on digital media or online.

My name will appear in association with the contribution indicated above.

I guarantee that this article is unpublished and of my composition, except for the case of excerpts, figures or paintings borrowed from other works and for which I obtained the necessary rights of reproduction that I am attaching to this declaration.

I further confirm that my text does not infringe any copyrights or any other person's rights and that it does not contain any scandalous, defamatory or confidential material that may violate any law.

The University Presses of the Antilles intends to disseminate and promote the results of scientific research conducted at the Université des Antilles. In order to contribute to this objective, I graciously assign my rights to the publisher: L'Université des Antilles and undertake to hold the director and the publisher unaffected by any costs, damages or other, resulting from lawsuits to this subject.
